Email: vaibhavi340@gmail.com | Phone: 8317221622 | Address: Ghatkopar (West), Barvenagar, Maharashtra

Career Objective

To secure a challenging position as a Front-End Developer where I can apply my technical and creative skills in web development, enhance my knowledge, and contribute effectively to the organization's success.

Education

- B.Sc. (Information Technology) — SRM College Kudal, Mumbai University (April 2024–25)
- H.S.C. (Science) — Kokan University, Kuda High School Kudal
- S.S.C. — Kokan University, LVT High School Kudal

Technical Skills

- **Programming Languages:**
  JavaScript, SQL, PHP
- **Web Technologies:**
  HTML, CSS, Bootstrap, React
- **Database:**
  MySQL

Projects

- **Online Medicine Ordering System**
  Developed using HTML, CSS, JavaScript, PHP, and MySQL. The system allows users to search, order, and pay for medicines online.
  Includes features like user authentication, admin dashboard, cart management, and order tracking to ensure smooth online medicine delivery.
  Designed with a responsive layout and a secure database connection for real-time inventory updates.
- **Expense Tracker (React App)**
  Built using React, HTML, and JavaScript to manage and visualize daily expenses efficiently.
  Implements data visualization with charts, real-time calculations, and state

management for a smooth user experience.
Helps users track spending habits and manage their finances effectively.

Strengths

- Quick learner and dedicated team player
- Strong problem-solving and communication skills
- Positive attitude and self-motivated
- Ability to adapt to new technologies quickly

Extra-Curricular Activities

- Participated in college-level web design competition

Hobbies

- Listening to music
- Drawing and creative designing
- Exploring new technologies

Goal

To become a skilled Front-End Developer, continuously improve my technical expertise, and contribute innovative web solutions to the IT industry. I aim to grow into a full-stack developer, take on challenging projects, and be part of a dynamic organization where I can learn, innovate, and make a meaningful impact through technology.

Certifications

Completed HTML, CSS, and JavaScript,sql, react, training at IT Vedant Institute, Thane.
